

**Funded by
the European Union**

**Finansira
Evropska unija**

Based on the financial assistance by the European Union for Bosnia and Herzegovina (Instrument for Pre-accession Assistance - IPA III) earmarked for the project *EU Support to Land Release on Targeted Mine Suspected Areas in Bosnia and Herzegovina* allocated through the Contribution Agreement 2023/450-556, signed between the European Commission and ITF Enhancing Human Security (ITF), the ITF would like to announce the following:

**INVITATION FOR SUBMISSION OF OFFERS
OF EXTERNAL EXPERT(S)
WITH MINE ACTION - LAND RELEASE (LR) EXPERIENCE**

The External Expert (technical) will provide occasional (per requirement) consultancy, advisory role and support to the ITF in the required technical segments and procedures of Land Release technical components of the project.

All interested candidates are requested to submit their CV (in English) with clearly stated Mine Action – Land Release experience, as well as Financial Offer – stating the daily (or hourly) rate, to ursa.marinsek-srot@itf.si prior to the closing date on Monday 27 January 2025.

Please state *Application: External Expert(s) with Mine Action – Land Release Experience* in the email subject line.

Candidates are encouraged to apply as soon as possible. ITF reserves the right to select a candidate prior to the closing date. Only shortlisted candidates will be contacted.

If selected, interested candidates must comply with ITF Policies (<https://www.itf.si/about-us/organizational-structure-and-policies/>) and non-sanction status.
