5. Eligibility and rules of origin

Participation is open on equal terms for commercial companies and non-governmental organizations, international and national, which possess the accreditation for humanitarian demining and technical survey in Bosnia and Herzegovina issued by Mine Action Center of Bosnia and Herzegovina (BH MAC).

The company/organization tendering shall have completed as main contractor or have been involved as a subcontractor on project(s) of at least double the amount/nature/complexity comparable to the tendered works over the last 3 years (demining/clearance and technical survey). All its key personnel shall have at least 2 years of adequate experience and written proven qualifications relevant to works of a similar nature to the project(s) for which they tender.

6. Number of tenders

For each contract a separate Tender shall be submitted. The Tenderer may participate with only one Tender for the same Contract. Submission or participation by Tenderer with more than one Tender (either as a prime and a sub-contractor) for a Contract will result in the disqualification of Tenderer as a prime contractor for that Contract in which the party is involved.

7. Tender validity and tender guarantee

Tenders shall be valid for period of minimum 60 (sixty) days after the deadline for submission of Tender and must be accompanied by a Tender guarantee (values of the Tender guarantees are shown in the above table) for each contract. The Tender guarantee for each contract shall be valid for a period up to and including minimum 60 (sixty) days after the deadline for submission of Tender. This guarantee will be released to unsuccessful Tenderer(s) once the tender procedure has been completed and to the successful Tenderer(s) upon signature of the contract by all parties.

8. Performance guarantees

The successful Tenderer will be asked to provide a performance guarantee of 10 % of the amount of the contract at the signing of the contract. Performance guarantee shall be valid for a minimum of 90 days after signing of the contract. If the selected Tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the Tenderer, which has submitted the second best admissible Tender.

9. Information meeting and/or site visit

Visits to locations with potential Tenderers will be organized, according to schedule/plan of site visits as set within tender documentation, with BH MAC and ITF representatives.

10. How to obtain the tender dossier

Interested eligible Tenderer(s) may purchase the Tender documents for the projects at the ITF office in Sarajevo (Bosnia and Herzegovina) from **Tuesday, 02 July 2013** from 12:00 hours, and in following days. Tenders must be submitted using standard Tender form included in the Tender dossier, of which format and instructions must be strictly observed.
